Great, thanks Mark. The other proposal we made was for the trial groupings, which I don't think WSOU has ever responded to.

Hey Barry,

I sent an email out to the WSOU team inquiring about these two issues. I was involved with the discovery limit proposal (no clue on the PO). I think WSOU's proposal was very reasonable and Dell should consider accepting our proposal. Otherwise, we can always just stick with the ol' OGP. I think we can reach agreement on the discovery limits stuff.

I'll get back to you with a time to M&C once I hear back from everyone.

Sincerely,

Mark

Hi Mark,

Can you let me where we are with these issues? I think it is advisable to have another meet and confer to try to make additional progress then bring the remaining issues to the Court for resolution. Thanks, and have a nice weekend.

Barry
